

MONEY MATTERS

It's Either Working For You Or Someone Else

FREEDOM FIGHTERS OF FINANCIAL LITERACY™

John Keuffer and Richard Carey have been instructing young people and encouraging families to discuss, learn and engage each other in the family finances. Since 1999, they have reached and taught thousands of young people the art of understanding money, how it works and how to make it work for themselves! John, a former Police Officer and NFL Player Consultant and Rich, a successful business owner and former NFL Player provide a powerful, entertaining and informative discussion. Authors of **MONEY MATTERS: It's Either Working For You or Someone Else**. This book is fast becoming curriculum for financial literacy.

Powerful, Entertaining and Informative!

Book John and Rich for your next meeting, conference, presentation or keynote affair!
